

Hourly Consultation ***\$350***

The hour includes 15 minutes of preparation time (document review, research, etc.) and 60 minutes of meeting time.* Hourly counseling is recommended for 9th, 10th, 11th, and 12th grade students who require academic advising and/or are new to the college admissions process. The hour is tailored to fit the individual student's needs, but typically includes:

- Careful analysis of academic transcript and curriculum choices
- Strategic planning for test prep (SAT/ACT/AP)
- Advice on extracurricular choices, summer plans, and choosing teacher recommenders
- Detailed review of current college list/suggestions for other colleges to consider
- Potential early (ED and EA) application strategies based on current admissions data

*Any time spent beyond this hourly session will be billed (with client's consent) in 15-minute increments at the same rate.
